Re: Application of PRTCommunications, LLC for Designation
as an Eligible Telecommunications Carrier
Docket No. 2008-300-C

Dear Mr. Terreni:

Enclosed please find PRTCommunications, LLC's Revised Network Improvement Plan in the above-referenced matter. The Plan was revised to include some costs that were inadvertently omitted from earlier estimates. In addition, the coverage maps have been revised to show municipalities for reference purposes. The narrative description of the Plan has not changed. However, a copy has been included with this filing so that it may replace in its entirety the earlier-filed Plan.

This Revised Network Improvement Plan is being filed on a confidential basis, pursuant to Order No. 2008-600 in this docket. Accordingly, the Revised Plan is being filed under seal with each page marked "Confidential."

Please clock in a copy of this filing and return it with our courier.

Thank you for your assistance.

Very truly yours,

Margaret M. Fox
